The death toll in the earthquake has been put at over one thousand. The government ’ s campaign aims to cut the death rate from heart attacks.

death noun - Definition, pictures, pronunciation and usage ...  
The Oxford Book of Death is the greatest title I have ever read. The book is pretty good too. Scholarly author of The Oxford Book of the Supernatural and The Oxford Book of Friendship, D.J. Enright compiles both prominent and discreet excerpts of literature and human observance into one book concerning death.

The Oxford Book of Death by D.J. Enright - Goodreads  
The Oxford Book of Death, chosen and edited by the poet D. J. Enright, does not take specific aim at students and teachers of medical humanities —the book’s potential audience is far wider. But in my view Enright’s anthology is the finest existing collection of literary perspectives on a topic crucial to medicine.

By 5 years of age, most children can understand the difference between a temporary separation and death. They know that death is irreversible and universal, has a cause, and involves permanent separation and that dead people differ from live people in several respects: they are immobile, unfeeling, and cannot hear, see, smell, or speak.
