Lesson #3: Pause and create space for the other person to respond. This is a close cousin to the last lesson. It's about slowing down and pausing, allowing the other person to take part and feel valued. In a real conversation, you'd actually pause. A little silence can work wonders when you want the other person to keep talking.

Hi I got a bit carried away (having fun!) and was adding all my blocks to one lesson. I now want to move or copy some of the blocks to a separate lesson or section. Or can I duplicate an entire les...

Is there a way to move/copy blocks to other lessons or ...

I agree to this import solution, but I would like to copy parts of the lessons. Sometimes we use the same lesson but with new questions or new contexts, it would be useful to copy it. The other issue, his that I can only copy a lesson from another course, not copying in the same course. We wait to see this update comming. Thanks.
