Encyclopedia Of Knots And Fancy Rope Work - 4 Edition By ...

For over all knot work and other fancy rope work, this is the best book I've found to date. Some of the trickier knots and rope work could use a little more detail

as it tends to assume you already know a good bit about what they're talking about at times, but generally if you've started with the easier ones and worked your way there, then you'll know what they're referring to.
