Living With Dying A Guide

This is a straightforward, easy-to-use, easy-to-understand guide to caregiving, humorously described as a sort of “Death for Dummies” guidebook. It is divided into four sections. The first, Living With Dying, is about the journey, being with someone, hospice, and looking after yourself.

living with dying – A Complete Guide for Caregivers

As a hospice volunteer I highly recommend Living With Dying for all caregivers, families, and friends. It's the perfect companion as you walk the last walk with your loved one, an invaluable resource you will turn to again and again to help navigate your way through one of the most difficult and challenging, but ultimately rewarding, services we perform as human beings.

Living with Dying: Guided by the Truth (Leader's Guide) We all live with dying. We all live in a dying, sin-broken world and in dying sin-broken bodies. Unless the Lord returns, we will all receive those wages—death. No matter how robust we might be right now, no matter what advances might be made in medical science, death awaits us all. We all live with dying.

Living with Dying: Guided by the Truth

Today I'm very excited to be joined by Katie Ortlip, RN LCSW & Jahnna Beecham, authors of the book "Living with Dying: A Complete Guide for Caregivers." At this moment in the U.S., nearly 10 million people over the age of 50 are caregivers for a parent or loved one.
