Introductions and conclusions are important components of any essay. They work to book-end the argument made in the body paragraphs by first explaining what points will be made (in the introduction) and then summarizing what points were made (in the conclusion).

Introductions & Conclusions | Ashford Writing Center

From its iconic layout to its core gameplay, Inferno has been an instant classic and a mainstay in competitive CS:GO through the years. So when we started the process of re-visiting the map, we focused on quality-of-

life upgrades and gameplay-tweaks instead of a complete rework.

CS:GO - The Return of Inferno
