World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look.

### Tesa Rugosurf 20 English Excages

Your Rugosurf 20 incorporates a translation mechanism with the probe attached by means of the height articulated probe-holder. In order to swap the probe, simply pull it in its axis op-posite to its displacement. For attachment, the probe is just plugged in. The measurements can be taken by lying down the gauge unit on the surface to be checked.
