Hobart tigwave 250 ac/dc manual – VRCollector

Been in the market for a tig for a couple years now:o. I do a lot of custom fabrication on cars, turbo headers, aluminums piping, chomoly etc. Up until now I used a mig to tack and drove to places for tig work. I was planning on a cheap inverter machine, maybe even a chinese one, but the local pipefitter training place was selling old units and I picked up a super clean Hobart Tigwave 250 and ...
