Trusting yourself means that you appreciate that you sometimes need more information. Making decisions on your own timing, even if it takes longer than you and others think it "should," and having enough time for your mind to wander gives you the reflection that is needed for deep decision making.

Trusting Yourself as a Parent - Peggy O'Mara

His presence is guarantee enough. So... Trust God from the bottom of your heart; don't try to figure out everything on your own. Listen for God's voice in everything you do, everywhere you go; he's the one who will keep you on track. Don't assume that you know it all. Proverbs 3:5-7

Trusting in God even when it doesn't seem to make sense

Authoritative Parent; Did you at some point decide to parent your child like the way your mother and father raised you? You know, spare the rod spoil the child (of course replacing "rod" with stern words, lots of love and positive reinforcements)... If so, you might just be an authoritative parent.

"WE" does not assume any responsibility if you choose to use any of the following information on yourself. You have that constitutional right. "WE" does suggest, however, if you are under a doctor's care, that you check first with your medical doctor or therapist before replacing the suggestions of your physician with any or all of the following.

Healing - Souls-r-We

This is listening autobiographically. It shuts down the employee's self-confidence, initiative and open communication. An easy strategy for replacing this tendency of listening autobiographically is to cultivate the habit of listening to learn. Listening is a skill that can be improved. It starts by taking the position of a good listener.

3 Keys to Building Trust Between Managers and Employees

I am a parent, and I have also previously been a classroom teacher. I know that the struggle to have a good working relationship as parents and teachers is real. I also know that having a good working relationship between teachers and parents is an extremely important part of a student's academic success and reading ability.
