With Love From Karen

I've just read both Karen and With Love from Karen back to back and couldn't put them down. Marie Killilea is an excellent writer and the story made you feel as though you were right there in the living room as part of the family. I also enjoyed hearing about what life was like in the 1940s.

With Love from Karen by Marie Killilea - Goodreads

I LOVE THIS STORY! It is excellent reading material! Having had known a family whose 41 year old son, David, has Cerebral Palsy, it has been a pleasure to read about Karen Killilea and how her family made every effort to enrich her life and make her a part of the family, love her and yet allow her to struggle to make a life for herself by being independent and not accepting help to the point ...

With Love from Karen: Marie Killilea: 9781568490991 ...

Marie Killilea is the author of two bestselling books, Karen and With Love from Karen. In 1940, Marie's daughter Karen was born three months premature, measuring only nine inches and weighing less than two pounds. It would take years for doctors to diagnose her with cerebral palsy, and even more to find proper treatment.

With love from Karen

Karen and family have always deeply impressed me, and I do regret that no full-scale biography, including later years, is available. I should also love to know more about them from the perspective of those who knew them at the time. I love both of Marie's books, but always wondered if they are just slightly biased with the need to be inspirational.
